Therefore, all sales of Schaub products will be subject to this Policy. This Policy has been unilaterally adopted and will be enforced strictly and uniformly. Although resellers remain free to establish their own resale prices, to the extent that any customer elects to advertise products of Schaub in any manner, that is in print, in electronic media, on its website, etc., and provides price information for such products, that price information must be no less than List Price less 20%, this is the Minimum Advertised Price (MAP). Advertisements and offers to sell that do not include a particular price, but require further action that implies a price that is lower than the Minimum Advertised Price, violate the MAP Policy. Examples of such unauthorized advertisements include "drop in cart" pricing, "add to cart" pricing, "click to see" pricing, and discount coupon pricing. Also prohibited are advertisements that indicate that discounts may be available when a customer takes specific action that goes beyond buying the product, such as "special price option" or "name your price." To assure fair business practices, we will strictly enforce this policy. Violations of this MAP Policy will include termination of our business relationship with a customer. On the first offense there will be a written notice counseling any customer that disregards this policy. Any customer who violates the policy a second time, within one year of receiving a written notice of a first violation, will be terminated. Schaub will not discuss any conditions of acceptance related to this Policy, as it is non-negotiable and will not be altered for any dealer. In addition, Schaub neither solicits, nor will it accept, any assurance of compliance with this Policy. Nothing in this Policy shall constitute an agreement between Schaub and any reseller that the reseller will comply with this Policy.
- Limited Warranty: The buyer's sole and exclusive remedy against seller will be limited to buyer's purchase price or replacement of non-conforming product. In no event will seller be liable to buyer for any special or consequential damages.
