**Join Schaub & Company in New York City at the International Contemporary Furniture Fair!**

Join Schaub & Company at ICFF this month to get a glimpse of our latest cabinet hardware collections, including June's Haniburton launch, pictured here.

The 30th annual International Contemporary Furniture Fair will be held on May 20-23, 2018 at New York City's Jacob K. Javits Convention Center. With over 800 exhibitors from all over the globe and 36,000 design industry attendees, ICFF is one of the premier home and contract product showcases in the US.

The four-day fair attracts more than 900 exhibitors from all points of the globe that specialize in high-end luxury design, and is attended by more than 36,000 discerning architects, interior designers, developers, retailers and manufacturers.

**If you're planning on attending, please visit us in Booth 2747!**  
**There is still time to register.**
